president's note

In this edition I would like to share some facts concerning our United States of America:

John Adams and Thomas Jefferson both died July 4, 1826 and James Monroe died July 4, 1831. The Declaration of Independence last signature was 5 years after the original signature. It was signed by 56 men, and the British penalty for signing the Declaration of Independence was death.

July 4 was declared a holiday in 1941. The Statue of Liberty commemorates America/France alliance.

Betsy Ross sewed, but did not design the flag. In Emergencies, the flag is flown upside down. The National Anthem or the Star Spangled Banner was inspired by an English drinking song. Enjoy your summer.

"Always remember how blessed we are to live in this wonderful United States of America."

papa murphy's pizza

Our first Papa Murphy's opened in January of 2005 and the second location was obtained in November of 2010.

We are located on 2314 Westowne Ave. and West Murdock St., both in Oshkosh.

We specialize in Take-N-Bake pizza. Dough is made fresh every day as well as all ingredients being chopped fresh daily with pizza being prepared in front of customers. We offer a regular and a delite or thin crust. Papa Murphy's strives to make the best quality pizza available at a low cost.

Farmers & Merchants Bank has helped us from the beginning and through all facets of obtaining a

priority club: a note from Kathy

It was nice to see so many of you attend this year's plant program. It seems each year Sophie comes up with more information for us. This year you all voiced your opinion stating this was the most informative. The pens were busy writing down all the tips and tricks for taking good care of your gardens.

It also was good to see so many of you at our customer appreciation day. The weather did not cooperate as we would have liked, but that is why there is a Plan B and the show can go on. The food was delicious and it was nice to visit with each of you. Without all of you, we would not be here.

A couple items to be aware of as always: Please be aware of the phone scam regarding a relative being in trouble, hurt or in need of money. Hang up and call the relative to verify their whereabouts, call the authorities or the bank. Do not give out account information or wire money. This continues to happen and we need to always be on our guard. When in doubt, always call us. We are more than happy to help you.

Until next time. Have a good summer and see you soon.
