A copy of Farmers & Merchants Bank's Account Rules and Regulations is available upon request. Rate refers to Interest Rate and APY refers to Annual Percentage Yield. The APY for CDs and Retirement CDs is based upon the maximum term of deposit for each maturity range. Penalty for early withdrawal on CDs and Retirement CDs. Checking and savings account fees could reduce earnings.

Rates and balance tiers for checking, savings, CDs, and Retirement CDs are applicable as of the Effective Date and may change at Farmers & Merchants Bank's discretion without notice.
