

PROTECT YOURSELF

from fraud & identity theft

In today's digital world, protecting yourself against fraud and identity theft isn't just smart — it's essential to safeguarding your finances, personal information, and peace of mind.

YOUR SECURITY IS OUR TOP PRIORITY

- Keeping your personal and financial information protected and secure through responsible information collection and processing
- Alerting you to potential fraud through the mobile app, text alerts, email or phone
- Real-time monitoring for suspicious account activity

CARD CONTROL IN THE PALM OF YOUR HAND

The SecurLOCK Equip app allows cardholders to receive real-time alerts & control how, where, and when their payment cards are used, via their mobile device. Download to your mobile device from the App Store or Google Play.

KNOW THE RED FLAGS

Understand how scammers operate and the ways in which they pressure or trick you into sending money and information.

KEEP YOUR CONTACT INFO UP TO DATE

Why: We can contact you quickly in the event we see suspicious activity on your account.

How: Call or stop in to update personal contact information with any changes.

CREATE STRONG PASSWORDS

Why: A strong password means a strong defense against hackers.

How: Use strong, unique phrases to create passwords and opt-in for two-factor authentication when offered.

ALLOW PUSH ALERTS IN THE FMB MOBILE APP

Why: You'll be notified quickly if there is suspicious account activity.

How: Log in to the FMB mobile app, select Alerts from the Menu and review your settings to receive security alerts through your mobile device.

PROTECT YOUR DEVICES

Why: Keeping your devices' systems updated helps protect against vulnerabilities that hackers exploit.

How: Ensure your device's software, antivirus, and anti-malware programs are up to date.

ENABLE FACE ID OR FINGERPRINT SIGN-ON

Why: Enabling biometrics prevents someone from gaining access to your personal information.

How: Go to your device's settings, Face ID & Passcodes and toggle on for the FMB mobile app.
